Genuss pur

Original, delicious: "Pure enjoyment" !!

We pamper you !

We create delights for you - from simple to gourmet! Choose what appeals to you and we look forward to conjuring in the kitchen. Of course, all ingredients are freshly sourced regionally and seasonally. Our own creations are accompanied by our quality wines or we can help you with the beverage selection. May it be a regional beer, a Ticino white wine or a French chateau? Or ... let us advise you.

For the menu, you pay a moderate, fixed price (which is indicated in the following suggestions). We charge the consumed wines at fixed prices.

Bread and butter, mineral water and coffee are **included** in all menus.

Enjoy the selection !!

Spuntino (Snacks)

This regional snack includes selected specialties such as cold cuts and cheeses, delicious seasonal snacks and, of course, home-made dishes such as vegetable quiche. The light classic for lunch can also be enjoyed in the evening. Everyone takes what he likes from the buffet. For a sweet end, we will serve a small dessert, coffee and of course a "Grappa" from our cellar (if you like) !

CHF 44.-- / Person

Simple and traditional

It does not always have to be gourmet! Straightforward dishes, Ticinese specialties or Italian delicacies are real culinary delights.

- Garden salad or other appetizer
- As a main course, Swiss specialties such as "Apler-Magronen", Luganighe (traditional Ticinese sausage) and risotto, ossobuccho (veal shank) with polenta are possible. Do you have special wishes? Just ask, we make almost everything possible.
- As a dessert, a classic is a seasonal tiramisu (for example rhubarb). But here we are also open for your wishes.
- Coffee / Grappa.

CHF 45.-- to 55.-- / Person (depending on the main course)

Gourmet menu

Be amazed by our "menu surprise" ! Of course, we can take into account incompatibilities.

- Amuse Bouche (appetizers to start)
- Cold appetizer or soup
- Refined salad
- Warm transition
- Main cours
- Dessert (variation of at least three types)
- Coffee, digestif
- "Dernière" (little candy at the end)

CHF 98.-- / Person

Individual menu

You wish - we cook. From simple to gourmet we can do it all. We are happy to make suggestions for a menu of your choice and season. Let us advise you.

Kontakt

Of course, you can also buy our wines privately for yourself (prices can be found on www.weingartner.ch).
